Bridge to Employment in  
Services for Immigrant Populations

## BRIDGE TO EMPLOYMENT IN SERVICES FOR IMMIGRANT POPULATIONS (BESIP)

BESIP helps internationally educated human services professionals to transition to the Canadian job market in fields that support immigrants (such as settlement counselling, immigration consulting, employment support, and community service).

## BRIDGE FOR IMMIGRANT WOMEN RESKILLING INTO IT CODING PROFESSIONS (C-WOMEN)

C-Women aims to support immigrant women who are creative problem solvers from any professional background to secure well-paying jobs in high-demand IT fields.

Bridge for Immigrant Women  
Reskilling into IT Coding Professions

**brem**

Bridge to Registration and  
Employment in Mental Health

## BRIDGE TO REGISTRATION AND EMPLOYMENT IN MENTAL HEALTH (BREM)

BREM supports internationally trained mental health professionals in accessing employment and registration with the College of Registered Psychotherapists of Ontario (CRPO)..

## BRIDGE TO EMPLOYMENT IN MEDIA & COMMUNICATIONS (BEMC)

BEMC is designed to prepare internationally trained media and communications professionals to secure a meaningful career in Ontario in the fields of journalism and professional writing, broadcast media, or communications and PR.
